My Truth

Cocteau Twins

You become a world for his new heart, accepting
And you can work
Through the pain or enjoy the pleasureCommit to the work of both
If your love has energy, you have chemistry
And you can work
Through the pain or enjoy the pleasureYou can, you can, you can work
Through the pain or enjoy the pleasure
You can, you can, you can work
Through the pain and come to peaceIt's frightening, exciting
Something shakes of forlorn understanding
The truth is not perfect
But it fools and confuses every moment vaguelyYou can, you can, you can work
Through the pain or enjoy the pleasure
You can, you can, you can work
Through the pain and come to peaceI remember my secret
I write it down and then, I [Incomprehensible]
It's not harm free
Outside of myself, what has saved me?C-c-can work through the pain or enjoy pleasure
You c-c-can work through the pain and come to peace
You can work through the pain or enjoy the pleasure
