

Who Am I

Michael Sweet

I've been wanting to tell you
Who you are, what you mean to me
But this life gets in the way
And I'm just too blind to see
Don't you know you're everything
That this simple man will ever need
And when I look into your eyes
I can see my destiny
Who am I (Who am I) to take your love for granted
Who am I (Who am I) to make you feel obscure
Who am I
I forget to remember you
And it's just too many times
When you're trying to break through
I am reaching for the blinds
Baby don't give up on me
I can see the land and the shore in sight
I'm coming to reality
I can feel the touch of the light
Who am I (Who am I) to take your love for granted
Please tell me
Who am I (Who am I) to make you feel obscure
I apologize (Who am I) for inventing disenchantment
Into our lives (Who am I) to make you insecure
Who am I
Who am I (Who am I) to take your love for granted
Who am I (Who am I) to make you feel obscure
I apologize (Who am I) for inventing disenchantment
Into our lives (Who am I) to make you insecure
Who am I
