

Good Gets Here

Toby Keith

She said, what makes you think
You could be my one and only?
How do I know you just won't leave me lonely?
I been lookin' for someone to call mine
Girl, if I ain't it I'm a pretty good waste of time
Hey, I ain't bad, I do alright
I dig a ditch or dig on me tonight
I'm good for a laugh
Good for a beer
Baby, I'm good 'till
Good gets here
I don't know what tomorrow holds
But I can hold you now
You can miss a lot of livin'
Chasin' love around
Baby, I'm all yours
If you want me come and get me
I'll give it a go
Baby, if you let me 'Cause I ain't bad, I do alright
I dig a ditch or dig on me tonight
I'm good for a laugh
Good for a beer
Baby, I'm good 'till
Good gets here
Now if you need a simpler man
I probably ain't that guy
But baby, I can save your day
'Till he comes flying by
I ain't bad, I do alright
I dig a ditch or dig on me tonight
I'm good for a laugh
Good for a beer
Baby, I'm good 'till
Good gets here
I ain't bad, I do alright
I dig a ditch or dig on me tonight
I'm good for a laugh
Good for a beer
Baby, I'm good 'till
Good gets here
