Digging Song

Cate Le Bon

I don't ever want to dig your hideaway
I don't ever want to find them in the ground
If I could die, we could get so far away
I loved the sun and you loved to sun
And ah I dig all night with tired eyesThe dogs are dead and I'm getting older
I don't ever want to put them in the ground
I get to thinking that I live to far away
I loved the sun, yea we loved to sun
And ah I dig all night with tired eyes
Ah I dig all night
Ah I dig all night
Ah I dig all night
Ah I dig all night.
