

# Moonshadow

[Nils Landgren](#)

One, two, three  
Hey, hey, oh  
I'm bein' followed by a moonshadow  
    Moonshadow, moonshadow  
Leapin' and hoppin' on a moonshadow  
    Moonshadow, moonshadow  
    And if I ever lose my hands  
    Lose my plough, lose my land  
    Oh if I ever lose my hands  
Oh if, I won't have to work no more  
    And if I ever lose my eyes  
    If my colors all run dry  
    Yes if I ever lose my eyes  
Oh if, I won't have to cry no more  
I'm bein' followed by a moonshadow  
    And if I ever lose my legs  
    I won't moan, and I won't beg  
    Yes if I ever lose my legs  
Oh if, I won't have to walk no more  
    And if I ever lose my mouth  
    All my teeth, north and south  
    Yes if I ever lose my mouth  
    Oh if, I won't have to talk  
    Did it take long to find me?  
    I asked the faithful light  
    Did it take long to find me?  
And are you gonna stay the night?  
I'm bein' followed by a moonshadow  
    Moonshadow, moonshadow  
Leapin and hoppin' on a moonshadow  
    Moonshadow, moonshadow  
    Moonshadow  
    Moonshadow  
    Moonshadow  
    Moonshadow
