Explosivo

Solitario.

Climb upon my faithful steed
Then we gonna ride
Gonna smoke some weed
Climb upon my big ass steed
And ride, ride, ride
What's the name of the song?
Explosivo
Don't know what it's about
But it's good to go
What's the name of my girlfriend?
I don't know
But she's built like the shit
And she's good to go, go
She's good to go
She's good to go
We are fueled by Satan
Yes we're schooled by Satan
Fueled by Satan
Writin' those tasty riffs
Just as fast as we can
Schooled by Satan

We were the inventors
Of the cosmic astral code
We've come to blow you away
We've come to blow your nose
We've come to fuckin' blow
We've come to blow the show
We've come to fuckin' blow
You know it, you know it
What's the name of the song?
Explosivo
Don't know what it's about
But it's good to riddle
I am not one of you
I come from an ancient time
I am known as the Kicker of Elves
I am also known as the Angel Crusher
Explosivo
