

Rusted Guns Of Milan

Art Brut

I know I can
I know I can
I know I can
I know I can
I know I can
I know I can
I know I can
I know I can

I know I can It doesn't mean that I don't love you, one more try with me above you.

It's got nothing to do with anything I've had to drink.

It's more to do with the way I think.

Leave the light on, leave the light on, leave the light on for me.

Leave the light on, leave the light on, leave the light on for me. I know I can

I know I can
I know I can
I know I can
I know I can
I know I can
I know I can
I know I can
I know I can
I know I can
I know I can

I know I can I'm sorry, I'm so sorry, can I get you a cup of coffee?

Don't tell your friends, don't tell your friends, I promise it won't ever happen again.

Leave the light on, leave the light on, leave the light on for me.

It's frustrating for you, well it's frustrating for me. You're lying there and you're beautiful.

You're beautiful and of course I want to, why wouldn't I?

It doesn't mean that I don't love you, one more try with me above you.

Leave the light on, leave the light on, leave the light on for me. It's nothing to do with anything I've had to drink.

There's something wrong with the way I think.

I know I can, I know I can.

I'm fine when I am with my own hand.

Never use my Rusted gun of Milan.
