Why Don't You Call Me

Shakra

Here I'm sitting by the phone
Now that you are gone
Counting minutes, counting hours
Wondering what went wrongWe seemed to be the perfect match
And love was here to stay
Just until that rain came pouring down
And washed it all awayI can hear your laughter
- Everywhere I go
Even when I'm dreaming
- Cause I miss you soWHY DON'T YOU CALL ME
DON'T YOU REMEMBER WHAT WE SHARED
WHY DON'T YOU CALL ME
I NEED TO KNOW THAT YOU STILL CAREWandering through these empty rooms
Empty like my heart
I feel like lost in space and time
It's tearing me apart
Day and night I wonder why
The magic didn't last
Love is gone and left me here
With shadows of the past
I can hear your laughter
- Everywhere I go
Even when I'm dreaming
- Cause I miss you soWHY DON'T YOU CALL ME
DON'T YOU REMEMBER WHAT WE SHARED
WHY DON'T YOU CALL ME
I NEED TO KNOW THAT YOU STILL CARE
