

# Who Is the Hunter

## Liars

I never meant to run  
I only blew my gun to watch which beast still runs  
A fall won't make a sound  
You only held us bound to watch a fielder run  
I only wanted more  
I only wanted time to watch her feel around  
I never stood too long  
It won't do anyone to watch this river rise I never meant to run  
I only knew my one true hope the beast would run  
I'll fall, hit and run  
You only held me along to watch a fear arouse  
I only wanted more  
I only wanted time to watch her feel around  
I never stay too long  
It won't do anyone to watch that river rise
