

T.H.U.G.S.

Flesh-N-Bone

One family, true family. From Flesh-n-Bone
Thug humbly teachin' 'em what to be: A thugsta just like me
Come follow me, journey off in my world, all boys and girls
Welcome to the land of T.H.U.G.S.

It's the start of a new millennium, and we on a mission
Rappin', makin' money made me put away the drugs, all right
I love my life

When I put it down, I'm so cold, so come up, take note:

This Trues Humbly United Gatherin' Souls
You don't want to miss the boat, or you float
The nation coast to coast

(We're keepin the) heartless hardest soldiers
Anyone think that they man enough?
Stand up for the face off, gonna get ran over
My feelings never show you mercy

And I been known to swang

Always down for the thugs, and I put in work
Niggas see that I'm all about the ?, man, the reason I bang
? in their eyes and the niggas who with me

But if you out of line, watch how my people feel 'bout they mind

It's ? when they hit'a me (kick thang, gettin' me swished)

'Cause they get tosses and find out they can't win

And they can't nine times out of ten

When I join my family, multiply with ends, ?One family, true family, from Flesh-n-Bone

Thug humbly teachin' 'em what to be:

A thugsta just like me

T.H.U.G.S. can come from around the world

T.H.U.G.S. can either be boys or girls

St. Clair playas, common ground we on

We are Trues Humbly United Gatherin' Souls With Flesh-n-Bone, pow to get a nigga in ground

I'm'a show you what it is, ana way to get it done

Down to East Nineteen ninety-nine

All through the year two-thousand

I'm a ? when I'm on the run I'm havin' fun

Don't bring you gun, unless someone is giving you static

Then I suggest you pack it, when they run up on you

Pull it, and blast it, that automatic let that fool have it

No thang, for the trigger bang bang bang

Man, it's a shame, but you gotta do what you gotta do to maintain

And remain this game so people rest in peace, until the finally peaceful
 And it be the sequel, when everyone's equal, gonna be humble to people Our father, who art in Heaven,
 hallowed be Thy name
 Thy kingdom come, Thy will be done
 On Earth as it is in Heaven One family, true family, from Flesh-n-Bone

 We are Trues Humbly United Gatherin' Souls See, I see, picture the world in harmony
 Before it's too late
 So close to runnin' out of time
 Soon it it'll be judgement day
 And, Lord, I pray Your mercy on mankind
 Earn your ticket to get up to Heaven
 Maybe Hell if you don't get yourself together
 You might be sorry, but it's your turn to go soon
 And I know they know better
 We are all soldiers of God and gotta job
 Connect to them souls
 He want you to spread The Word about Him
 Simply, that's easy for you to pay the toll
 What more could we ask for?
 We all are whether you like it or not
 We get a chance to profit in life
 And living on Earth
 You're gonna get put on the spot once in awhile
 But I know that you humble heart
 No doubt you'll be tested
 Even halted by demons
 Stressin', want to get you arrested
 (If I'm not workin' this)
 You keep it real true with yourself and family
 Gotta plan this good and ready
 They hand me peace, much love to the G's
 Who real understand me Give us this day our daily bread
 And lead us no in temptation
 But deliver us from the evil
 Amen T.H.U.G.S. can come from around the world (around the world)
 T.H.U.G.S. can either be boys or girls
 St. Clair playas, common ground we on
 We are Trues Humbly United Gatherin' Souls (one family, true family)
