

# Make It Happen

## The Early November

Make It Happen Tonight  
Under lights we stroll  
And we're never coming back And I swear  
I'll never let you go  
If you come away  
With me And I'm never gonna know  
Never gonna know  
Lets go  
Out of this place  
Make it happen Never gonna know  
Never gonna know  
Lets go  
Out of this place  
Make it happen Never gonna know  
Never gonna know  
Lets go  
Out of this place  
Make it happen  
Someday Find the time  
No matter where you are  
When your day it comes again Make it last  
No matter how so far  
Another day will come again I swear I'll never let you go  
If you come away with me  
Alone all night  
Alone we'll be singing Never gonna know  
Never gonna know  
Lets go  
Out of this place  
Make it happen Never gonna know  
Never gonna know  
Lets go  
Out of this place  
Make it happen  
Someday Make it last  
It'll be so hard  
You don't know how much this is We'll go so far  
You'll see it's not hard  
We'll go so far

You'll see it's not hard We'll go so far  
You'll see it's not so  
We'll go so far  
You'll see it's not hard Never gonna know  
Never gonna know  
Let's go  
Out of this place  
Make it happen Never gonna know  
Never gonna know  
Let's go  
Out of this place  
Make it happen Never gonna know  
Never gonna know  
Let's go  
Out of this place  
Make it happen Never gonna know  
Never gonna know  
Let's go  
Out of this place  
Make it happen  
Someday
