Need You Now

Cut Copy

Hush darling, don't you cry
Hush darling, don't you cry
'Cause they're never gonna reach you, never gonna reach youHush darling, don't you cry
Hush darling, don't you cry
'Cause they're never gonna reach you, never gonna reach youIn the morning I come down
In the morning I break down
But you're never gonna get away
Gonna get awayI know I'm running baby
But I need you now
Said I know we're going crazy
But I need you now
I need you now
To fight somehowI know we're running baby
But I need you now
I know we're going crazy
But I need you now
I need you now
To fight somehowThere's a beauty in the waking night
There's a memory waking up
But it's never gonna reach you
Never gonna reach youIn the morning I come down
In the morning I break down
But you're never gonna get away
Gonna get awayHand touches your body now
Lips touch as you're falling down
Run for the last train
One of them will get you homeI know we're going crazy,
But I need you now
I know we're running baby
But I need you now
Need you now
To fight somehowI know we're going crazy
But I need you now
I know we're running baby
But I need you now
I need you now
To fight somehow(But I need you now)
(But I need you now)Tonight
Tonight
