

# Jumpin' Off The Wagon

Darryl Worley

I got drunk in Raleigh and I played to long  
Word got back to Nashville before I got back home  
The Record label said Boy you better straighten up your act  
The lawyers told me son that's what the contract say  
I got good and sober and stayed that way  
But still you couldn't find a Worley record on the rack I did everything they asked me to do  
And still they wouldn't cut me loose  
Well I Ain't bought  
I'm through crawling  
I've got lots of other people calling  
No more nagging  
I Ain't bragging  
But my boot heels they Ain't dragging  
I Ain't falling  
Hell I'm jumping off the wagon I'm already feeling more like my old self  
That double shot of dickie was a lot of help  
Here on out, I'm just doing my own thing  
There's something to be said about just feeling good  
I'm going with my guts so baby knock on wood  
If this don't work I've only got myself to blame I Ain't into looking back  
I Ain't ever got nowhere like that  
So I Ain't calling  
I'm through crawling  
I've got lots of other people calling  
No more nagging  
I Ain't bragging  
But my boot heels they Ain't dragging  
I Ain't falling  
Hell I'm jumping off the wagon
