

# Stronger Than Me

[Amy Winehouse](#)

You should be stronger than me  
You been here 7 years longer than me  
Don't you know you supposed to be the man?  
Not pale in comparison to who you think I am You always wanna talk it through, I don't care  
I always have to comfort you when I'm there  
But that's what I need you to do, stroke my hair 'Cause I've forgotten all of love young love's joy  
Feel like a lady and you my lady boy You should be stronger than me  
But instead you're longer than frozen turkey  
Why'd you always put me in control?  
All I need is for my man to live up to his role Always wanna talk it through, I'm okay  
Always have to comfort you everyday  
But that's what I need you to do, are you gay? 'Cause I've forgotten all of love young love's joy  
Feel like a lady and you my lady boy He said, "The respect I made you earn  
Thought you had so many lessons to learn"  
I said, "You don't know what love is, get a grip  
Sound as if you're reading from some other tired script" I'm not gonna meet your mother anytime  
I just wanna grip your body over mine  
Please tell me why you think that's a crime I've forgotten all of love young love's joy  
Feel like a lady and you my lady boy You should be stronger than me  
You should be stronger than me  
You should be stronger than me  
You should be stronger than me
