Just for You

REO Speedwagon

This is just for you, I dedicate everything I do
My fear is gone and I feel so strong
Love has never been so true, I've never seen what I see in you
I watch you sleep, your beauty runs so deepAnd wherever you go, I'll walk beside you
And whatever you need, I will provide you
Take my soul and never let go'Cuz I live just for you and I give just for you
And your love has me wanting to be the best man I can be
And I believe in forever, just for you and meThis is just for us to a future filled with truth and trust
And your sweet touch, I want you so muchAnd there is nothing that we can't do together
I am gonna be lovin' you forever
Take my hand and make me your man'Cuz I live just for you and I give just for you
And your love has me wanting to be the best man I can be
And I believe in forever, just for you and meTake my soul and never let go'Cuz I live just for you and I give just for you
And your love has me wanting to be the best man I can be
And I believe in forever, just for you and me
And I believe in forever, just for you and me
