

# Song of Blessing

Joe Wise

Chorus:

The Lord let His Face shine down upon you.  
The sun rise up to meet you on your way.  
The spirit of His love invade the circle of your friends.  
Your vision keep you changing day by day.

The Lord let His Face shine down upon you.  
The sun rise up to meet you on your way.  
The spirit of His love invade the circle of your friends.  
Your vision keep you changing day by day.

Good times be the jingle in your pocket:  
Life's hearthstone there to warm you when you rise.  
For giving and for growing be the way you know your soul.  
The heart be always open to surprise.  
Your life find all its seasons, in the hollow of His Hand.  
His Heart will be the ocean storing all your footprints in the sand.

The Lord let His Face shine down upon you.  
The sun rise up to meet you on your way.  
The spirit of His love invade the circle of your friends.  
Your vision keep you changing day by day.

Falling down be only London's bridges:  
Down and out be only words for rhyme.  
A suitcase full of dreams be all that weighs your body down.  
Your life pour out like sweet and good red wine.  
And time will tell your story; we will listen once again  
Your song will have its moment.  
Leave the Sign (+) on the forehead of a friend.

The Lord let His Face shine down upon you.  
The sun rise up to meet you on your way.  
The spirit of His love invade the circle of your friends.  
Your vision keep you changing day by day.

Your rest be peaceful, sleep a fond companion.  
Wonder mark the road you need to roam.  
If Death should carve a canyon in between us for awhile,

Then sing this song for me 'til I come Home.

The Lord let His Face shine down upon you.

The sun rise up to meet you on your way.

The spirit of His love invade the circle of your friends.

Your vision keep you changing day by day.

Your vision keep you changing day by day
