

# Fade to Black

## Apocalyptica

Life, it seems, will fade away  
Drifting further every day  
Getting lost within myself  
Nothing matters, no one else I have lost the will to live  
Simply nothing more to give  
There is nothing more for me  
I need the end to set me free Things aren't what they used to be  
Missing one inside of me  
Deathly lost, this can't be real  
Cannot stand this hell, I feel Emptiness is filling me  
To the point of agony  
The growing darkness taking dawn  
I was me but now he's gone Let me see you
