Expresso Love

Dire Straits

One, two

One, two, twoShe gets the sun in the daytime

Perfume in the dusk

And she come out in the night time

With the honeysuckle muskBecause she smells like a rose

And she tastes jus' like a peach

She got me walking where the wildlife goes

I'd do anything to reach herAnd she was made in Heaven

Heaven's in the world

Oh, she was made in Heaven

Heaven's in the world

Is this just expresso love?

You know I'm crazy for the girl

Just crazy for the girlAnd she called me just to talk

She's my lover, she's a friend of mine

She says, "Hey mister you wanna take a walk

In the wild West End, sometime"

And I get trouble with my breathing

But she says, "Boys don't know anything"

But I know what I want

Don't want to please

Yes, I want everything'Cos she was made in Heaven

As Heaven's in the world

Oh, she was made in Heaven

Just Heaven's in the world

Is this just expresso love?

See I'm crazy for the girl

Just crazy for the girlWell I feel so good 'cos I feel so good

I feel so good 'cos it feels so right

I was made to go with my girl

Just like a saxophone

Was made to go with the nightShe can raise one eyebrow

Put her hand on my hip

And I close one eye now

Sweat on her lip

Oh and I surrender to the fever

And I surrender to the weather midnight

She love me so tender

I got to believe her love

But expresso love's alright'Cos she was made in Heaven And Heaven's in the world Oh she was made in Heaven Heaven's in the world Is this expresso love? You know I'm crazy for the girl Just crazy for that girlMama Mama No and I don't want no sugar in it No thank you very very very All wired upon it, all fired upon it Expresso touch Ho, ho!Na, na, na Hey Maestro, expresso na Hey Maestro She says "Expresso na" Is this another one, just like the other one It's just another one, just like the other one Oh hey Maestro, expresso
