

# When U Cry

Swv

When you cry  
Boy I cry  
Don't let go  
Or I'll die When u cry  
Baby, I cry  
And if you take your love away  
I'll just die  
If you love me once  
I'll love you twice  
So promise me  
You'll love me for the rest of my life There's no better place  
I'd rather be than in your arms  
Holdin' you close to me  
Lookin' in your eyes  
Let's me know  
That you'll always be here  
And your love ain't goin' away  
Oh When u cry  
Baby, I cry  
And if you take your love away  
I'll just die  
If you love me once  
I'll love you twice  
So promise me  
You'll love me for the rest of my life It'd break my heart  
If you went away  
And I don't think that I  
Could make it though the day  
And I feel the way you do  
And when you cry  
Baby, I'm cryin', too  
Ohh When u cry  
Baby, I cry  
And if you take your love away  
I'll just die  
If you love me once  
I'll love you twice  
So promise me  
You'll love me for the rest of my life When I see tears

Fall from your face  
Baby, I know  
No one can take my place  
And when I look in your eyes  
And see you cry  
Oh baby, baby, baby, baby  
I'll just die When u cry  
Baby, I cry  
And if you take your love away  
I'll just die  
If you love me once  
I'll love you twice  
So promise me  
You'll love me for the rest of my life When you cry  
Boy I'll cry don't let go  
Or I'll die  
If you love me once  
I'll love you twice  
So promise me  
You'll love me for the rest of my life When u cry  
Baby, I cry  
And if you take your love away  
I'll just die  
If you love me once  
I'll love you twice  
So promise me  
You'll love me for the rest of my life
