

# Little Packet

## M People

Go take the fast line baby, you travel so light.  
The fast lane mother, your bark is your bite.  
Fast lane baby, it's all such a gas.  
Fast lane honey, you wave as you pass.  
Get busy one time.I got a packet, I keep it for my mind.  
I'm so impressive so handsome and so kind.  
There's people wanting to talk to me all day,  
there's people hanging on every word I say.  
Get busy one time.Get busy one time.I dial 9 I need an outside line  
to another world that leaves me feeling fine.  
I dial 9 I need an outside line,  
to another world that leaves me feeling fine.Go take the fast line baby, you travel so light.  
The fast lane mother, your bark is your bite.  
Fast lane baby, it's all such a gas.  
Fast lane honey, you wave as you pass.  
Get busy one time.Fast lane.  
Fast lane.  
Fast lane.  
Fast lane.I talk a lot, everything I say is wise.  
I chop 'n' change the picture turns to black 'n' white.  
I try so hard to promise you the world and more.  
It's my career c'mon it's time I had some more.I dial 9, I need an outside line  
to another world that leaves me feeling fine.  
I dial 9, I need an outside line,  
to another world that leaves me feeling fine.Go take the fast line baby, you travel so light.  
The fast lane mother, your bark is your bite.  
Fast lane baby, it's all such a gas.  
Fast lane honey, you wave as you pass.  
Get busy one time.
