

Accident Or Design

Soul Nidus

early morning October 10th. who would've thought that London would lead me to you?

I didn't know

Stranger than a stranger's fate, we were lonely as our gods but we didn't know
still dont know NO ONE SAID LIFE WONT BE HARD, NO ONE SAID IT MAKES ANY SENSE I KNOW
THE SUN TO SHINE AND THE RAIN TO FALL YOU NEED SOMEONE TO MISS YOU NO MATTER
WHERE YOU GO I never thought in a Million years
that the streets of London can make me feel so alone
so cold

and that out of a hundred million people, you for me, and I'd fall for you

I didn't know NO ONE SAID LIFE WONT BE HARD, NO ONE SAID IT MAKES ANY SENSE I KNOW
THE SUN TO SHINE AND THE RAIN TO FALL YOU NEED SOMEONE TO MISS YOU NO MATTER
WHERE YOU GO you said: "just go sit in a bar and do nothing, baby I want you home, please come home"
and then the plane lights started blinking to the beat of the song I was listening to when I was thinking of
you you said: "just go sit in a bar and do nothing, baby I want you home, when are you coming home?"
and then the plane lights kept on blinking to the beat of the song I was listening to when I was thinking of
you early morning October 10th. who knows what will this one lead us to?

I dont know
