

For a Thousand Years

[Marc Johnson](#)

Heart beats fast
Colors and promises
How to be brave
How can I love when I'm afraid to fall
But watching you stand alone
All of my doubt suddenly goes away somehow
One step closer
I have died every day waiting for you
Darling, don't be afraid I have loved you
For a thousand years
I'll love you for a thousand more
Time stands still
Beauty in all she is
I will be brave
I will not let anything take away
What's standing in front of me
Every breath
Every hour has come to this
One step closer
I have died every day waiting for you
Darling, don't be afraid, I have loved you
For a thousand years
I'll love you for a thousand more
And all along I believed I would find you
Time has brought your heart to me
I have loved you for a thousand years
I'll love you for a thousand more
One step closer
One step closer
I have died every day waiting for you
Darling, don't be afraid, I have loved you
For a thousand years
I'll love you for a thousand more
And all along I believed I would find you
Time has brought your heart to me
I have loved you for a thousand years
I'll love you for a thousand more
