Make A Change (Vocals By Alison Moyet)

Tricky

Make a change for maisie
She don't understand the days, yeah
With our different deeds
No more, baa baa black sheep ?'cause maisies not the slave
Breakaway the chains
You know nothing else remains
No more last names
No more last names
If you ?
Live a lie ?
Stay before the hatred
Stay before the hatred
If I make a change for you whose gonna make a change for me
If I'm not with you maisie ?
With no more real reason, want to know my real tune
Want to know my ?
Its your turn to fuck with things that they say
Its your turn to fuck things they say (yeah)Make the change fantastic
Make the change fantastic
Fantastic
Fantastic
Gonna make it last forever
Gonna make it last forever
Gonna make it last foreverTake it from ?
Then its time to sever (sever)
Seize the chance to change
Seize the chance to change
Seize the chance to change
I'm going to
I'm going to
Make the change fantastic
Make the change fantastic
Fantastic
