Ain't Got No...

[Tove Styrke](#)

Me be so self-sufficient
Losing all self control
We ain't got the time
While pushing us all around
We ain't got no time to get old
Me ain't got no time, noMe be my bold ambition
Leaning towards dreams of gold
Me ain't got no time
While pushing my soul around
Me ain't got no time to get old
Me ain't got no time, noSend it up, send it out
Baby write it on the wall
Send it up, send it out
Do you really wanna know
I just wanted you to see
I just thought that you should knowMe be my own suspicion
Sorry can't save my soul
Me ain't got no time
While pushing my soul around
Me ain't got no time for control
