

# That Old Feeling

**Ella Fitzgerald / Joe Pass**

I saw you last night and got that old feeling  
When you came in sight I got that old feeling  
The moment that you danced by I felt a thrill  
And when you caught my eye my heart stood still  
Once again I seemed to feel that old yearning  
And I knew the spark of love was still burning  
There'll be no new romance for me it's foolish to start  
For that old, old feeling is still in my heart  
Once again I seemed to feel that old yearning  
And I knew the spark of love was still burning  
There'll be no new romance for me it's foolish to start  
For that old, old feeling is still in my heart  
Still in my heart, still in my heart
