

# You're a God

## Vertical Horizon

I've gotta be honest, I think you know  
We're covered in lies and that's okay  
And there's somewhere beyond this, I know  
But I hope I can find the words to say Never again, no  
No, never again 'Cause you're a god  
And I am not  
And I just thought  
That you would know You're a god  
And I am not  
And I just thought  
I'd let you go But I've been unable to put you down  
I'm still learning things I ought to know by now  
It's under the table, so  
And I need something more to show, somehow So, never again, no  
No, never again 'Cause you're a god  
And I am not  
And I just thought  
That you would know You're a god  
And I am not  
And I just thought  
I'd let you go I've gotta be honest, I think you know  
We're covered in lies and that's okay  
And there's somewhere beyond this, I know  
I hope I can find the words to say Never again, no  
No, never again 'Cause you're a god  
And I am not  
And I just thought  
That you would know You're a god  
And I am not  
And I just thought  
I'd let you go You're a god  
(Oh, and I am not)  
I just thought that you would know  
(Oh, I thought that you would know) You're a god  
(Oh, and I am not)  
I just thought  
I'd let you go
