Crosscut Saw

Corey Stevens

I'm a crosscut saw
Baby, drag me across your log
I'm a crosscut saw
Baby, drag me across your log
I cut your wood so easy for you
You can't help but say, â€œHot dogâ€•

Some call me woodcutting Sam
Some call me woodcutting Jim
The last girl I cut wood for
Wants me back again

I'm a crosscut saw
Baby, drag me across your log
I cut your wood so easy for you
You can't help but say, â€œHot dog, hot dogâ€•

I got a double-blade axe
And it really cuts good
I'm a crosscut saw
Gonna bury me in your wood

I'm a crosscut saw
Baby, drag me across your log
I cut your wood so easy for you
You can't help but say, â€œHot dogâ€•

I'm a crosscut saw
Baby, drag me across your log
I'm a crosscut saw
Baby, drag me across your log
I cut your wood so easy for you
You can't help but say, â€œHot dogâ€•

I cut your wood so easy for you
You can't help but say, â€œHot dogâ€•
I cut your wood so easy for you
You can't help but say, â€œHot dogâ€•
