

Dakota

A Rocket to the Moon

She knows exactly what to do
Whenever I'm alone with her
I can barely make a move
By the time she opens up her eyes
She sings to me at night, she's singing "Pa ra pa pa pa ra pa ra pa ra
Pa ra pa pa pa ra pa pa ra pa ra" I know that she barely knows me
And I'm faking love with her
It's like I'm singing karaoke
And I forgot the second verse
But I can make up my own words Oh Dakota, I know our love is new
I barely know you, I've fallen over you
It's the way you do the things you do
That made me fall in love with you
Dakota, are you in love with me too? She's got a little bit of money
And a little bit of this and it's all she needs to live
I got a little bit of love
And a little bit of that and it's all I have to give
This time I'll try not to show that I am not letting go Oh Dakota, I know our love is new
I barely know you, I've fallen over you
It's the way you do the things you do
That make me fall in love with you
Dakota, are you in love with me too? I'll show ya, I'll show ya
And you'll know, and you'll know
I'm not letting go
I'll show ya, I'll show ya
And you'll know, and you'll know
I'm not letting go Pa ra pa pa pa ra pa ra pa ra
Pa ra pa pa pa pa ra pa ra Oh Dakota, I know our love is new
I barely know you, I've fallen over you
It's the way you do the things you do
That make me fall in love with you
Dakota, are you in love with me too? Oh Dakota, I know our love is new
I barely know you, I've fallen over you
It's the way you do the things you do
That make me fall in love with you
Dakota, are you in love with me too?
'Cause I'm in love with you
Are you in love with me too?
