She's A Woman

Whitesnake

She got everything I need
She makes me smile, she makes me bleed
'Cos she's a woman
She got the end, she got the means
She's in my heart and in my dreams
It makes me cry, I wanna make her mine
She ain't black, but, she got soul
She ain't young, but she ain't old
Shine like silver, burn like gold
She's a woman, she's a woman
She got everything I need
She got comfort, she got speed
She's a woman, she's a woman
Do me bad, do me good
She got the gypsy in her blood
Cos' she's a woman, she's a woman
She ain't black, but, she got soul
She ain't young, she ain't old
Shine like silver, burn like gold
She's a woman, she's a woman
She got a fire in her eyes
I know she sees through all my lies
'Cos she's a woman, she's a woman

I know I'm the danger zone
If I leave her all alone
'Cos she's a woman, she's a woman
She ain't black, but, she got soul
She ain't young, she ain't old
Shine like silver, burn like gold
She's a woman, woman
She's a woman, she's a woman
She's a woman, woman
She's a woman
She got everything I need
Make me smile, make me bleed
She's a woman, she's a woman
She got the end, she got the means
She make me shiver in my jeans

She's a woman, she's a woman
She ain't black, but, she got soul
She ain't young, she ain't old
Shine like silver, burn like gold
She's a woman, she's a woman
She's a woman, she's a woman
She's a woman, she's a woman
She's a woman, she's a woman
