

Here I Am

Jimmy Somerville

If I should die before I wake
I pray from God my soul escapes
I wonder what the price would be
To roam through time eternallyHere I am
Here I amAnd when this world comes to an end
Who will heaven send
To find me?Here I am
Here I am
Here I am
Here I amI'm passing through, can you feel me?
I'm in front of you, can you see me?Screaming, can you hear me?
Screaming, can you hear me?Here I am
Here I am
Here I am
Here I amI'm in your head, I know your dreams
But powerless to change your mindHere I am
Here I am
Here I am
Here I amHere I am
