I Will Never Let You Go

Paco Estrada & One Love

I can't keep my possessions
After i'm gone
I can't keep my brothers always safe from harm
But the promise i make
I take to my grave
As sure as the sunrise
As sure as the day
I will never let you go

I can't promise the world
I can't promise the sky
I can't promise that we'll be together
Should one of us die
But the promise i make
I take to my grave as sure as the sunrise
As sure as the day
I will never let you go

And it worries me that you might not know
Just how deep and wide this river flows
So hold onto me
And i promise you
I will never let you go

And it worries me that you might not know
Just how deep and wide this river flows
So hold onto me
And i promise you
I will never let you go

So hold onto me
And i promise you
I will never let you go

So hold onto me
And i promise you
I will never let you go

I will never let you go
