

# Planet Telex (Hexidecimal Mix)

## Radiohead

You can force it but it will not come  
You can taste it but it will not form  
You can crush it but it's always here  
You can crush it but it's always near  
Chasing you home.

Saying, everything is broken  
Everyone is broken

You can force it but it will stay stung  
You can crush it as dry as a bone  
You can walk it home straight from school  
You can kiss you can break all the rules

But still, everything is broken  
Everyone is broken  
Everyone is, everyone is broken  
Everyone is, everthing is broken

Why can't you forget (x3)
