

A Stranger On Home Ground (BBC 1 Session)

The Faith Brothers

V1

Egos soar as glasses crack
Promises weighed by the pound
Greedy fingers, slapping backs
As strangers walk on my home ground

Chorus

Greatness by association
Would seem to be an easy way
The worlds a lie that love defies
Believe me when you hear me say
Only love can stop me now
From stumbling like a stranger on home ground

V2

Strangers always call too late
Handshakes always let you down
What is worthy i shall take
But nothing gained is like love found

Chorus

Repeat VS 2

Chorus
