

Feel Of Love

[Tensnake](#)

Oh, guess I missed the breeze
Oh, how you came at me
Got lifted so suddenly
You understand what this could be It's the FEEL OF LOVE, baby
It's the FEEL OF LOVE, baby
It's the FEEL OF LOVE, baby Go dance the world away
Can't fight and it's here to stay
This here feeling into every, every
This feeling is the one saying Please come to me
And each and every day you just laying It's the FEEL OF LOVE, baby
It's the FEEL OF LOVE, baby
It's the FEEL OF LOVE, baby Can you feel it?
Can you feel it?
Can you feel it? In love, baby
In love, in love
In love, baby
In love, in love It's the FEEL OF LOVE
It's the FEEL OF LOVE
It's the FEEL OF LOVE It is clear that we're meant to be
You're dropping dead, do speak to me
Oh, just say, together so naturally
Champagne, met a woman, the way I feel
Just as long as I don't map out anything
She's the greatest lady that I've ever seen
I can't believe she was giving to me
