

# Love Is Just a Gamble

## T-Bone Walker

Love is just a gamble  
Say just what you wanna say  
Love is just a gamble  
Say just what you wanna say  
It's nice to see if you're a winner  
If you lose, it's debt that's hard to pay  
Can't you see love is a gamble  
It makes headlines in the news  
Can't you see love is a gamble  
It makes headlines in the news  
I've always been unlucky  
All I ever did in life was lose  
Whoa, took a gamble on romance  
Just when I thought I had it won  
Took a gamble on romance  
Just when I thought I had it won  
She told me, goodbye, pretty papa  
I was only having fun
