Every day I see my dream.
Every day I see my, every day I see my dream.
Every day I see my dream.
Ev ev every day I see my dream.

Every day I see my dream.
Ev ev every day I see my dream.
Every day I see my, every day I see my dream.
Every day I see my dream.
Ev ev every day I see my dream.
Every day I see my, every day I see my dream.
Every day I see my dream.
I see my dream son!
Every time I dive in my pool.
It's hard to be humble
When I do the breast stroke through an underground tunnel.
And come up on the other side in a jacuzzi
Being greeted by two naked models with suds on thay booties.
They give me hugs and lots of kisses
And they ask me what my wish is I say
"Go and call yo bitches." Cause there's gunna be a party.
Next they wash my body as a team and then they say
"Foo your royal penis is clean."
And I'm like,
Yes, It's on and poppin'
Yes, the parties rockin'
Yes, the cuties shockin'
Yes, and there ain't no stoppin'
Yes, It's on and poppin'
Yes, the parties rockin'
Yes, the cuties shockin'
Yes, and there ain't no stoppin'
Every day I see my dream.
Every day I see my, every day I see my dream.
Every day I see my dream.
Ev ev every day I see my dream.
Every day I see my, every day I see my dream.
Every day I see my dream.

Ev ev (Every day I see my dream)
Wakin' up next to a beautiful girl.
Step outside and say hello to my beautiful world.
Grandma's cookin breakfast she makes pancakes the best.

Walk through my mansion cuz I,
Own porperty from California to the Hamptons and I,
Sip from my water fountain that spritz soda.
Look out the window and wave at my nextdoor neighbor Oprah."Huh"

That's how I live so I take my elevator
To the club in my crib like,

Yes, the party's rockin'
Yes, the cuties shockin'
Yes, and there ain't no stoppin'
Yes, It's on and poppin'

Yes, and there ain't no stoppin'
Yes, It's on and poppin'
Yes, the party's rockin'
Yes, the cuties shockin'
Yes, and there ain't no stoppin'
