

# Bad Things (Theme From "True Blood")

Jace Everett

When you came in the air went out  
And every shadow filled up with doubt  
I don't know who you think you are  
But before the night is through  
I wanna do bad things with you

I'm the kind to sit up in his room  
Heart sick an' eyes filled up with blue  
I don't know what you've done to me  
But I know this much is true  
I wanna do bad things with you, okay

When you came in the air went out  
And all those shadows there filled up with doubt  
I don't know who you think you are  
But before the night is through  
I wanna do bad things with you  
I wanna do real bad things with you

I don't know what you've done to me  
But I know this much is true  
I wanna do bad things with you  
I wanna do real bad things with you
