

# GETHSEMANE

## Rise Against

It was the perfect night  
Then you had to go and ruin it with a kiss now  
I'm trapped inside here  
The innocence we held once so carelessly has been suffocated in this breathless moment  
Believe in me and I will believe in you  
You're asking of me everything  
So I'll give it all to you  
With arms raised to the stars begging them to listen  
With legs littered with scars cut from these olive branches  
Now, point of return now crossed and our hands left shaking  
Tonight we give in to temptation  
Believe in me and I will believe in you  
You're asking of me everything  
So I'll give it all to you  
Someone stop my mind from screaming  
It's so loud I can't hear myself think  
Life, death, religion, survival  
It makes no sense  
Don't try to tell me that I'm a coincidence  
Believe in me and I will believe in you  
You're asking of me everything  
So I'll give it all to you  
Believe in me and I will believe in you  
You're asking of me everything  
So I'll give it all to you  
If I never have you, then I can never lose you  
Now, everything here is a lie  
Where is the truth?  
Where is the fucking truth?
