

Save My Soul (Junior Vasquez Sound Factory Mix)

Kristine W

Who is gonna save me[Chorus]
Nothing in the world can make change the way I feel for you
Nothing in the world can make me leave you don't you feel it to
You have made me realize my love for you can make me whole
You have made me realize that love alone can save my soul... yeahI was in a place of fire
I was hypnotized
Living in my darkest hour
I was paralyzedAnd now I'm back and feeling higher
And you alone can say
That you became a true reviver
When you rescued me[Chorus]Save my
Save my
Save my
Save my soulI suffered from a burning fever
But now I'm back to life
I turned into my own deceiver
And that I can't denyI thought that I was born to walk alone
Until I met you
You are my one desire
Come on and take me higher[Chorus]Save my
Save my
Save my
Save my soulWho is gonna save me
Tell me can you save me
You alone can save me
Tell me can you save me
You alone can save me
You have made me realize my love for you can make me whole
You have made me realize that love alone can save my soulWho is gonna save me
Save my
Save myTell me can you save me
Save my
Save my soulTell me can you save me
You alone can save me
Who is gonna save me
Tell me can you save me
You alone can save me
Tell me can you save meYou alone can save me
Cause nothing in the world can make change the way I feel for you

Nothing in the world can make me leave you don't you feel it tooTell me can you save me
You have made me realize my love for you can make me whole
You alone can save me
You have made me realize that love alone can save my soul
Tell me can you save meSave my
Save my
Save my
Save my soulSave my soul
Save my
Save my
Save my
Save my
Save my soulTell me, can you save me?
