I'm so addicted to you baby Hey hey hey.
Now I'm addicted to your touch.
I'm so excited.
I'm addicted to you baby oh oh oh.
Now I'm addicted to your love.
I can't deny it.

No matter when you got my word.

Something you really need to take care of.
Whatever thing you need I do.
Girl you got me addicted hey.
By the way you put it on me tonight.
Vibe is so electric hey.
Let me so charge up your energy tonight.
I can't even hide it No.

Put my hands all over you that's fine.
I'm not going to fight it.
When the feeling's good, you know you would.
Girl come on deep it low, deep it to the floor.
Let me see your work like you're dancing on a poll.
