Calling You

Celine Dion

A desert road from Vegas to nowhere
Some place better than where you've been
A coffee machine that needs some fixing
In a little caf just around the bendI am calling you
Can't you hear me
I am calling youA hot dry wind blows right thru me
The baby's crying and can't sleep
But we both know a change in coming
Coming close sweet releaseI am calling you
I know you hear me
I am calling you O
