

# Calling You

Celine Dion

A desert road from Vegas to nowhere  
Some place better than where you've been  
A coffee machine that needs some fixing  
In a little caf just around the bend I am calling you  
Can't you hear me  
I am calling you A hot dry wind blows right thru me  
The baby's crying and can't sleep  
But we both know a change is coming  
Coming close sweet release I am calling you  
I know you hear me  
I am calling you O
