Lady Sovereign

Everybody in the club getting tipsy
Oh fuck that, just whine like a gypsy
Can't see straight, like I only got one eye (pop)
Your bottle open oh my
Let's, get started
Move ya arms 'round like fucked up karate
Ooh shit, my word plays nasty
Ooh shit, don't put it past me
Move titch get out the, way
Ah, nun of that I'm here to stay
Flow lazy, pick the pace up when I flow less hazy
Jlo's got a batty
Well you can't see mine cause I wear my trousers baggy
Anyways, yeah, let's commence[Chorus]
Everybody get random
All gyal them, all man them
Everybody get random
Jus' do something random
Everybody get random
All gyal them all man them
Sovereign get random!
Jus' do something randomSmokin' kills and so do my lyrics,
If you're poppin' pills then trash in a-with-it
Cause I got the skills ,
And I'm over the limit
Dishin' lyrics like meals every second every
Minute
Ding! Dong! Special Delivery (hello)
Biggest midgit in the game, can't get rid of me
Give me just a minute and I'll be your facility,
My words hurt you jus' like loosin' ya virginity,
Well, I'm right there
Na' I'll tell a lie 'cause I'm
Right there,
Right here
Na' right here,
Now get off your chair! I mean Chair
Some English mc's get it twisted

Start saying cookies, instead of biscuits !Anyways yeah lets , commence[Chorus: x2]1, 2 S.O.V is comin' for

3, 4 better lock your door
5, 6 cause I'm full of tricks.,
So everybody come and vibe with the little titch
Switch, hush[Chorus]
