

Ruler of My Heart

Linda Ronstadt

Ruler of my heart
Driver of my soul
Where can you be
I wait patientlyMy heart cries out
Pain inside
Where can you be
I wait patientlyWhen you're alone
The going gets rough
Come back, come back, come back
I've had enoughMake me a queen
Happy again
Hear my plea
I wait patientlyRuler of my heart
Driver of my soulWhen you're alone
The going gets rough
Come back, come back, come back
I've had enoughMake me a queen
Happy again
Hear my plea
I wait patientlyOoh, ooh, mmmRuler of my heart
Driver of my soul
Ooh, ooh, oohRuler of my heart
Driver of my soul
Ruler of my heart
