Kingswood

How many times I said, I said never again
Your wretched cage on my heart and your black tongue
Still got the holes in my neck from your rattlesnake kiss
Hell, you know I'm a sucker for the poison
Hey you know I'm a sucker for the poisonYou cut me piece by piece and you left me for de-
You systematic asexual assassin
I feel you in my blood you're flowing through my veins
But did you know I'm a sucker for the poison?
Did you know I'm a sucker for the poison?You woke me up so I can feel again
And you broke my heart so I can love again
You woke me up so I can feel again
And you broke my heartHoo..
