

# Superhero

## Flobots

We believed in love when love wasn't an option  
She wanted to give birth, I wanted adoption  
After days and days of conversation  
We decided to go with fertilization  
Then came baby showers and Lamaze classes  
2 a.m. phone calls, 1 minute contractions  
But then they whisked me away like Brigadoon  
No domestic partners in the delivery room  
But if I was a superhero, I would break free  
Wouldn't need anyone to come and save me  
And you couldn't make me feel like I'm crazy  
I would see my baby, I would see my baby  
And if I was a superhero, I would break free  
And I wouldn't be imprisoned wherever you take me  
I would change everyone that's trying to change me  
I would see my baby, I would see my baby  
Life in an occupied land is hard, we pushed harder  
Soon to be a mom, him to be a father  
Boys with guns at the checkpoint in Rafah  
Wouldn't let me pass when I said I need a doctor  
I don't know the source of the passport errors  
Or how four hours produced a miscarriage  
But when it comes to populations to disparage  
Gaza's on the list, right below gay marriage  
But if I was a superhero, I would break free  
Wouldn't need anyone to come and save me  
And you couldn't make me feel like I'm crazy  
I would see my baby, I would see my baby  
And if I was a superhero, I would break free  
And I wouldn't be imprisoned wherever you take me  
I would change everyone who's trying to change me  
I would see my baby, I would see my baby  
There's something on my heart  
There's someone on my mind  
I never would have thought  
That I could be so angry  
But please give me the patience  
Please give me the patience  
There's something on my heart

There's someone on my mind  
I never would have thought  
That I could be so angry  
But please give me the patience  
Please give me the patience  
But if I was a superhero, I would break free  
Wouldn't need anyone to come and save me  
And you couldn't make me feel like I'm crazy  
I would see my baby, I would see my baby  
Yeah, if I was a superhero, I would break free  
And I wouldn't be imprisoned wherever you take me  
I would change everyone who's trying to change me  
I would see my baby, I would see my baby  
Yeah, if I was a superhero, I would break free  
And I wouldn't be imprisoned wherever you take me  
I would change everyone who's trying to change me  
I would see my baby, I would see my baby
