

Break The Rules (Some Blonde DJ Bootleg)

Charli XCX

Electric lights
Blow my mind
But I feel alright And never stop, it's how we ride
Comin' up until we die You catch my eye
If you wanna fly
I'm so alive Never stop, it's how we ride
Comin' up until we die I don't wanna go to school
I just wanna break the rules
Boys and girls across the world
Putting on our dancing shoes
Going to the discotheque
Getting high and getting wrecked
I don't wanna go to school
I just wanna break the rules I don't wanna go to school
I just wanna break the rules
Boys and girls across the world
Putting on our dancing shoes
Going to the discotheque
Getting high and getting wrecked
I don't wanna go to school
I just wanna break the rules I'm such a star
Queen boulevard
Blaze through the dark And never stop, it's how we ride
Comin' up until we die I don't wanna go to school
I just wanna break the rules
Boys and girls across the world
Putting on our dancing shoes
Going to the discotheque
Getting high and getting wrecked
I don't wanna go to school
I just wanna break the rules Get my guitar
Sunglasses on
So light it up And never stop, it's how we ride
Comin' up until we die I don't wanna go to school
I just wanna break the rules
Boys and girls across the world
Putting on our dancing shoes
Going to the discotheque
Getting high and getting wrecked

I don't wanna go to school
I just wanna break the rulesNa-na na na
