

Inside of Me

Cheryline Lim

Inside of Me
By Cheryline Lim

Everybody has to try, that's what they say, but sometimes I don't know if I , got what it takes to make the world come alive, but then I close my eyes...

I put my foot upon the ground,
Listen to my heart, but it don't make no sound. Inside I know if I don't turn this thing around, I'll never live it down, don't back down

Inside of me, I find my wings
Cause' I can be, most anything
Inside of me, is all I'll ever need

Sometimes you gotta take control
Don't know what you can do or what you're capable
Cause it's inept until you let your excuses go
It's time for you to show, oh-oh.

I'll push myself with all I got
Gonna make it cause I'm ready,
Don't care if you're not
This world won't give you what you want unless you take your shot,

So give it all you got

Inside of me, I find my wings
Cause I can be, most anything
Inside of me, is all I'll ever need

I'm all I'll ever need.
I'm all I'll ever need.
I'm all I'll ever need.

Inside of me, I find my wings
Cause I can be, most anything
Inside of me, I find my wings
Cause I can be most anything,

Inside of me, is all I'll ever need
Is all I'll ever need.
