Morning Train (Nine to Five)

Sheena Easton

I wake up every morning, I stumble out of bed
Stretching and a' yawning, another day ahead
It seems to last forever and time will slowly ride
'Til babe and me's together, then it starts to flyCause the moment that he's with me, time can take a flight
The moment that he's with me, everything's alright
Nighttime is the right time, we make love
Then it's his and my time, we take upMy baby takes the morning train
He works from nine 'til five and then
He takes another home again
To find me waiting for himHe takes me to a movie or to a restaurant
To go slow dancing, anything I want
Only when he's with me I catch a light
Only when he gives me, makes me feel alrightMy baby takes the morning train
He works from nine 'til five and then
He takes another home again
To find me waiting for himAll day I think of him, dreaming of him constantly
I'm crazy, mad for him and he's crazy, mad for me
When he steps off the train, amazingly full of fight
Works all day to earn his pay so we can play all nightMy baby takes the morning train
He works from nine 'til five and then
He takes another home again
To find me waiting for him
