Look To The Rainbow

Deborah Cox

On the day I was born, said my father, said he
"I've an elegant legacy waiting for ye"
'Tis wine for your lips and a song for your heart
To sing it whenever the world falls apart
Look, look, look to the rainbow
Follow it over the hills and the streams
Look, look, look to the rainbow
Follow the fellow who follows a dream
So I bundled my heart and I roam the world free
To the east with a lark, to the west with the sea
And I searched all the earth and I scanned all the skies
And I found it at last in my own true love's eyes
Look, look, look to the rainbow
Follow it over the hills and the streams
Look, look, look to the rainbow
Follow the fellow who follows a dream
Follow the fellow, follow the fellow
Follow the fellow who follows a dream
